FALL TRADE, 1853. BOOTS & SHOES. THE GREAT RIVALRY; Or, WHO SHALL CONTROL THE NORFOLK SHOE-MARKET, AT WHOLE-THE GREAT RIVALRY; Or, WHO SHALL CONTROL THE NORFOLK SHOE-MARKET, AT WHOLE SALE?—Some years ago the Proprietor of the famous Ladies' Shoe Saloon put in his claim to do a large share of this particular branch of the Shoe business, by importing one of the LARGEST STOCKS OF BOOTS AND SHOES which had ever been sent to Norfolk. Since then, at each successive season, our stock has gradually increased until the present time, and now we do a larger business than any other house in Eastern Virginia.

The Ladies' Saloon was first established about twelve years ago, and the Store has been repeatedly altered and enlarged to make room for Mr. ADDINGTON'S increasing trade, until now the old Store can be no longer enlarged. He has recently built for himself one of the largest Stores for his business in the United States.

The New Store is four times as large as the old one, so that hereafter we shall be prepared with the goods to do the largest Boot and Shoe Trade done in the State of Virginia.

(A complete description of this splendid new Store will be given about the 15th of July, when it will be opened.)

At the commencement of each season we have on hand from

The Section of the season we have on hand from the Store of the season we have on hand from the Store of the season we have on hand from the Store of the season we have always conducted our business on equitable principles, mutually benefiting the seller and the buyer.

This success is truly flattering to us, insomuch we intend to make still larger additions to our stock, and therefore invite all Country Merchants and Shoe Dealers to come and deal for the future with us at the new store.

HUNDREDS OF MERCHANTS have already availed leal for the future with us at the new store. HUNDREDS OF MERCHANTS have already availed themselves of our invitation, who return and buy goods at each season, saying, "they can do better at the LADIES' SALOON than they can do at the North." We guarantee to sell at least 5 per cent. less than others, and to sell goods which will suit the retail trade of Virginia and North-Carolina Merchants better than any they may purchase elsewhere. The Stock consists in part of—Gentlemen's Fine Boots and Shoes, of every fashionable variety. HUNDREDS OF MERCHANTS have already availed variety, Ladies' Gaiter Boots, Jenny Linds, and other celebrated styles,

The attention of Country Merchants is invited to this immence Stock of Boots, Shoes and Brogans, at the Ladies' Saloon, where they can buy every article wanted by them at the lowest wholesale prices, thereby saving themselves the trouble and expense of going to the North for their TERMS—SIX MONTHS CREDIT.

It is the best antiacid we ever knew. Food cannot possibly sour in a stomach habitually supplied with the Sulphur water. It is invaluable in those chronic derangements of the Liver dependent on gastric irritation. Torpor of the Liver is speedily relieved by it. With the above variety of remedial agents, in so palata-ble a shape, located in a beautiful and healthful region of country traversed by Stages, and soon to be by Railroads, the undersigned flatters himself, that the Cluster Springs will soon become the centre of attraction for the wealthy and elite of the land. HENRY EASLEY elite of the land.

Halifax, July 9, 1853.

P. S. The Cluster Springs were incorporated with a capital of Fifty Thousand Dollars, by the Legislature of Virginia last winter. Being only four miles from the R. & D. Railroad, it is contemplated to connect it by railroad with that Q UINTON UTLEY'S TOOTH-ACHE DROPS, for the cure of the Tooth-Ache; one of the greatest dis-coveries of the 19th Century. From the numerous applications I have had for the above preparation, for the last few months, the uniform success which has attended its use, its salutary effects, its power to give immediate relief in the severest cases of Tooth-Ache, I have been induced to offer it to those who may be afflicted, with the utmost confidence in its virtue, and the full belief that it will subdue and give entire relief to the severest tooth-ache without the slightest entire relief to the severest tooth-ache without the slightest injury to the tooth. I have got (and can get) numerous testimonials of its efficacy—some from distinguished gentlemen, and all from as reliable persons as are in the State, a publication of which I deem unnecessary at this time, as one of these Drops when tried in an aching tooth will be worth more to the manufacturer and the patient, than all the certificates from great men that could be procured.

The preparation is known only to myself. Every phial is carefully put up by my own hands in the City of Raleigh, and labelled with directions for use, and may be found at IRA BECKWITH'S Store, on Favetteville street, a few doors IRA BECKWITH'S Store, on Fayetteville street, a few doors North of the Yarbrough House, and opposite Eawrence's Hotel, where it will be constantly kept for sale either by the wholesale or retail. Retail price 50 cents. per Bottle—liberal deduction made when taken by the To all who may have the Tooth-Ache-try it, and then it will need no puffing.

The public lands belonging to the General Government are situated,—1st. Within the limits of the United States, as defined by the treaty of 1783, and are embraced by the States of Ohio, Indiana, Illinois, Michigan, Wisconsin, and that part of Minesota east of the Mississippi River, all of which have been formed out of the Northwestern Territory, as conveyed with certain reservations to the United States by New York in 1781, by Virginia in 1784, by Massachusetts in 1785, and by Connecticut in 1786; also the lands within the boundaries of the States of Mississippi and Alabama north the boundaries of the States of Mississippi and Alabama north of 31 deg. north latitude, as conveyed to the United States by Georgia in 1802. 2d. Within the Territories of Orleans and Louisiana, as acquired from France by the treaty of 1803, including the portion of the States of Alabama and Mississippi south of 31 deg.; the whole of Louisiana, Arkansas, Missouri, Iowa, and that portion of Minesota west of the Mississippi River; the Indian Territory; the district called Nebraska; the Territory of Oregon, and the region lying between Oregon and Minesota, north of 42 deg. and south of 49 deg. north latitude. 3d. Within the State of Florida, as obtained from Spain by the treaty of 1819. 4th. In New Mexico and California, as acquired from Mexico by the treaty of 1848.

Within the limits recognized by these treaties and cessions, the public lands covered an estimated area of 1,584,000,000 acres. Exclusive of the lands in Oregon, California, New Mexico, Utah, the Indian and Nebraska Territories, the en-tire area of the public domain is stated, after a careful examination, to have been 424,108,750 acres. About one-fourth of this, up to November 30th, 1850, had been sold, and \$135,339,092 received therefor. The aggregate outlay of every kind upon these lands to the same date, including cost of purchase, of surveying, and of selling, was \$74,957,879, leaving as net profit to the government \$60,381,213, or an annual average of nearly a million of dollars for the last 50 years. If there should be added to this, at the rate of \$1.25 per acre, the value of the land granted for bounties, schools, internal improvements, &c., it would amount to nearly double the above sum. The average cost per acre to the government of acquiring title, &c., to the lands is 14.41 cents; of survey, 2.07 cents; of selling and managing, 5.32 cents; in all 21.80 cents; while it receives \$1.25 per acre, or a net profit

on each acre sold of \$1.032. The whole number of warrants for Mexican bounty land claims issued to November 1, 1851, is 80,781, of which 66,618 have been located, and 66,200 have been patented. The whole number of warrants issued under the general bounty-land law of September 28, 1850, up to November 1, 1851, is 54,201. Of these, 3,708 have been located and returned, and 1,950

The following table shows the sales of public lands and the proceeds thereof from the year 1833 to 1850, inclusive.
